**RCGA Rules Govern All Play:**

4½ hours is the expected pace of play. If you fall behind the group in front, you will be asked to speed up or be moved by our players' assistant.

All tree lines and fescue grass are to be played as a lateral hazard.

There is a two-ball rule on #6. If two of your shots do not carry the ravine, the third must be played from the drop area.

There are three other drop areas that will save you time and strokes on #9, #11, and #15.
